Living In Darkness

Agent Orange

Look at me now
I've got no reason to be like everybody else
So dumb, so happy
I like things that bite
Things that creep at night
Everybody's asking me what it's like down there
The concrete floor is cold
The walls are bareI feel safest being alone
Living in darkness
Living in a world of my ownI'm so selfish, doing everything by myself
I feel so cold
I want to live to be a couple thousand years old
Ashes to ashes, dust to dust
I thought I knew somebody that I could trust
Now I'm not so sureI feel safest being alone
Living in darkness
Living in a world of my ownOne whole lifetime I'm never gonna last
Unless I live until dying is a thing of the past
And all these girls I know out turning boys into men
I know I am never going down again
Never againI feel safest being alone
Living in darkness
Living in a world of my own
