Close

Jane Monheit

(Verse)
What's the one thing I haven't told a soul ever
When's the last time I lost myself control, never
Sitting next to you in this almost empty room
With the end of the evening so nearMight just be the only time
I can look into your eyes
And whisper. whisperClose.
Close enough to touch
So close,
Almost close enough
I hate to keep you waiting
But love has never been so close
(Verse)
When's the first time I ever truely fell, someday
What's the one wish, I've been wishing for us both, one day
One day I'll wake to find, my heart has done it's time
And everything I held inside is outAnd like a long and answered prayer
I'm hoping you'll be there
Just be on the shadows and my danceClose.
Close enough to touch
So close,
Almost close enough
I hate to keep you waiting
But love has never been so close to youClose to me
A single road within our reach
Close.
Close enough to touch
So close,
Almost close enough
I hate to keep you waiting
But love has never been so close
