Long May You Run

Neil Young with Stephen Stills

We've been through some things together
With trunks of memories still to come
We found things to do in stormy weather
Long may you run
Long may you run, long may you run
Although these changes have come
With your chrome heart shining in the sun
Long may you run
Well, it was back in Blind River in 1962
When I last saw you alive
But we missed that shift on the long decline
Long may you run

Long may you run, long may you run
Although these changes have come
With your chrome heart shining in the sun
Long may you run
Maybe The Beach Boys have got you now
With those waves singing, "Caroline No"
Rollin' down that empty ocean road
Gettin' to the surf on time
Long may you run, long may you run
Although these changes have come
With your chrome heart shining in the sun
Long may you run
