

She Falls Like Rain

Shane Piasecki

she walks around
she stands so proud
her feet barely touching ground

she passes by
i close my eyes
praying that she'll notice me
for the first time

and i hope
that it will all be over soon
but i wish you could see
that your the one i see
inside my mind

everytime i close my eyes

i see you rise with the sunset
in the warm september skies
i see you crash like the ocean
rolling in with the tide
i feel you fall like rain
oh and as you surround me i pray
so fall out, and fall down
i remember everything that you say
so fall out, and fall down
said it only hurts when i'm breathing
it only hurts when i'm breathing

she blends in with the crowd
she laughs so loud
but she cries when nobody's around

she stuffs it down
she never makes a sound
as her heart breaks inside her chest
all she feels is loneliness

but it's better that way

it's better that way she says

i see you rise with the sunset
in the warm september sky
i see you crash like the ocean
rolling out with the tide
i feel you fall like rain
oh and as you surround me i pray
so fall out; and fall down
i remember evething that you say
so fall out; and fall down
said it only hurts when i'm breathing
it only hurts when i'm breathing
