Are You Satisfied???

Evermore

I left home today, feeling alright (I never knew, I never knew)
I left home today, feeling ok (I never knew, I never knew)
Like beauty in the dust (My position, my position)
Like youthfulness intense, burning down to rustIf we've come to a conclusion
We've got a long, long way to go
What would you do in my position? (My position, my position)
Girl, I'd really like to know(Whoa)
Was there more there of your touch?
Was there more then fear?
It's over now I hope you're satisfied
It's over now I hope you're satisfiedIs there any indecision?
Is there something I can say?
There must be some solution (My position, my position)
There must be some mistake(Whoa)
Was there more there of your touch?
Was there more then fear?
It's over now I hope you're satisfied
It's over now I hope you're satisfied
It's over now I hope you're satisfied
It's over now I hope you're satisfiedDon't walk away, you're holding me down
Holding me back, you're holding me here
Nothing to say, pushed to the floor
Now it's too late, I'm closing the doorIt's all I can give...It's all I can take
It's all I can give...It's all I can take
