

Worthless

Dido

I know what you came for
And I know when you'll leave
You came for my heart
And it's lost to me
For I won't stop you, I will open my door
My heart is here waiting
I don't need it no more
I know why you're leaving
And I'll just let it be
I am left with nothing and now you're lost to me
For I can't stop you, I will open my door
My heart is here waiting
I don't need it no more I know why you're waiting
Give me time to breathe
Before you take my heart now, and just get up and leave
For I won't stop you
I will open my door
My heart is here waiting
I don't need it no more For love makes a fool of me
For love makes a clown of us
Yes it does, Yes it does, Yes it does- Yes it does You know it's worthless, as worthless can be
For love makes a fool of me
For love makes a clown of us
Yes it does, Yes it does, Yes it does- Yes it does
