We Are Wolves Here (electric City)

David Usher

Live hate
Blind faith
Breathe deep
Takes me
We hold fast
Won?t last
The night falls
It?s just it?s just as well
And if we danced all night
Fell so deep
If we could live to tell what our eyes have seen
We are wolves here
And so I held you tight
Dared to confess
So you can feel my body steal each breathe
We are wolves here
Taste the electricity
City unwinds ?til we believe
And joy has left
Burns until it?s dead
And if we danced all night
Fell so deep
If we could live to tell what our eyes have seen

We are wolves here
And so I held you tight
Dared to confess
So you can feel my body steal each breathe
We are wolves here
Live hate
Blind faith
And joy has left
Burns until it?s dead
And if we danced all night
Fell so deep
If we could live to tell what our eyes have seen
We are wolves here
And so I held you tight
Dared to confess

So you can feel my body steal each breathe
We are wolves here
