

# Like You Used To

## Kidnap Kid

Holding me,  
Holding me like you used to  
Loving me  
A love I wasn't used to I wonder where you've been  
And do you think of me  
'Cause I'm not missing you at all I'LL BE ALRIGHT  
I'LL BE OK  
And it fall fine  
You're away and I'm away  
IT'S NOT MY CRIME  
Still, I'm locked away  
I'M SERVING TIME  
I will learn from this mistake Leaving me  
On thin ice you walk me home  
It's keeping me  
Well away from your throne And I'm at ease  
Pretending that I have you here  
Knowingly  
You refuse to keep me near You sent me flying  
You sent me flying  
Touch of you sent me flying  
The touch of you sent me flying I wonder where you've been  
And do you think of me  
'Cause I'm not missing you at all I'LL BE ALRIGHT  
I'LL BE OK  
And it fall fine  
You're away and I'm away  
IT'S NOT MY CRIME  
Still, I'm locked away  
I'M SERVING TIME  
I will learn from this mistake You sent me flying  
You sent me flying  
You sent me flying  
You sent me flying
