Shoo-bee-doo

Madonna

Shoo-bee-doo-bee-doo, ooh la la
When I look in your eyes
Baby, here's what I see
I see so much confusion
And it's killing me
When I look in your eyes
Baby, here's what I see
I see so much confusion
And it's killing me
Well, I can't take it anymore, baby
Why don't you dry your eyes, try and realize
Love can open any door and maybe
If you trust in me, I can make you see
Shoo-bee-doo-bee-doo, ooh la la
Come to me, baby
Shoo-bee-doo-bee-doo, ooh la la
Don't say, "Maybe"
Shoo-bee-doo-bee-doo, ooh la la
Come to me, baby
Shoo-bee-doo-bee-doo, ooh la la
I can see you've been hurt before
But don't compare them to me
'Cause I can give so much more
You know you're all I see
Well, I can make it on my own, baby
But I'd rather share all the love that's there
I don't want to be alone and maybe
You will see the light, baby, spend the night
Shoo-bee-doo-bee-doo, ooh la la
Come to me, baby
Shoo-bee-doo-bee-doo, ooh la la
Don't say, "Maybe"
Shoo-bee-doo-bee-doo, ooh la la
Come to me, baby
Shoo-bee-doo-bee-doo, ooh la la
Come here, baby
I can't take it anymore, baby
Why don't you dry your eyes, try and realize
Love can open any door and maybe

If you trust in me, I can make you see
Shoo-bee-doo-bee-doo
Shoo-bee-doo-bee-doo, baby
Shoo-bee-doo-bee-doo
Shoo-bee-doo-bee-doo, baby
Shoo-bee-doo-bee-doo
Shoo-bee-doo-bee-doo, baby
Shoo-bee-doo-bee-doo
Shoo-bee-doo-bee-doo, baby
Shoo-bee-doo-bee-doo, ooh la la
Come to me, baby
Shoo-bee-doo-bee-doo, ooh la la
Don't say "Maybe"
Shoo-bee-doo-bee-doo, ooh la la
Come to me, baby
Shoo-bee-doo-bee-doo, ooh la la
Come to me, baby
Pretty darling, don't say maybe
Come to me, baby
Pretty darling, don't say maybe
Come to me, baby
Pretty darling, don't say maybe
Come to me, baby
Shoo-bee-doo-bee-doo
Shoo-bee-doo-bee-doo, baby
Shoo-bee-doo-bee-doo
Shoo-bee-doo-bee-doo, baby
Shoo-bee-doo-bee-doo
Shoo-bee-doo-bee-doo, baby
