I'll Be That

Comeback Kid

This tension keeps on building
Pressing its way out my chest
I never wanted you seeing me like this
I know you've got bigger problems
But tonight I'm out of body and mind
And tonight I'm on a steady decline
I resent myself
Alleviate the symptoms of this hellI'll be there stuck in a vault (I'll be that)
You got me with and without my demons
An unrelenting assault I'm feeling
I'll be that
I'll be there stuck in a vault (I'll be that)
You got me with and without my demons
(I'll be that)
Frankly I'm sure I don't help
Rooky hysteria bouts
(I'll be that)
Dooming I'm facing the fall
(I'll be that)Vision distorted and all
I'll be the first to admit
Appreciate, I could see no use until it reared it's head
I can't get out of my head
I can't get out of my head
Find my peace before I end up deadIt's a strain that's wavering
Pressing its way out my chest
I don't want you to see me like this
Take my thoughts anywhere else, I'll follow
I'll be there stuck in a vault (I'll be that)
You got me with and without my demons
An unrelenting assault I'm feeling
I'll be that
I'll be there stuck in a vault (I'll be that)
You got me with and without my demons
I'll be there stuck in a vault (I'll be that)
You got me with and without my demons
