## **Dreams Come True**

## Westlife

Dreams are there to show you the way
(Better take a look inside)
Close your eyes find out what they're trying to say
(You gotta take a look inside)Only for a minute

Just to make a start

Imagine what you want to seeWake him up, the wizard Sleeping in your heart

Just imagine what you want to beDon't you know thatDreams come true, they do

Dreams come true

From all of us to all of you they doDon't you know that dreams comeTrue love is just a second away (Better take a look inside)

Make that magic rule, let the miracle stay (You gotta take a look inside)Only for a minute

It's not a fantasy

Just imagine what you want to beDon't you know thatDreams come true, they do Dreams come true

From all of us to all of you they doDon't you know that dreams come true

Don't you know that dreams come trueOnly for a minute

You can make your dreams come true
