Keep My Cool

Aaradhna

See you coming my way (my way)
And I don?t know what to do with myself (with myself)
I fell my heart is beating faster
As you make your way closer
No, no, no

Don?t feel the butterflies
They?re small like fireflies
Cause whenever I look at you
A heat up in my heart just melts aside

No, no, no, Don?t feel the butterflies
They?re small like fireflies
Cause whenever I look at you
A heat up in my heart just melts aside

I got to got to (got to got to)
I got to keep my cool now (cool now)
Oh oh oh oh..
Uh uh uh uh..
I?m tryina keep my cool now now (now now)
Oh oh oh oh..

I?m tryina make it look like I don?t care (care care..)
But you are standing over there (over there)
Yea yea yea yea
I?m laughing with my friends
And showin up again like it?s nothing (like it?s nothing)
Oh oh oh oh oh

Don?t feel the butterflies
They?re small like fireflies
Cause whenever I look at you
A heat up in my heart just melts aside

No, no, no, Don?t feel the butterflies
They?re small like fireflies
Cause whenever I look at you
A heat up in my heart just melts aside

I got to got to (got to got to)
I got to keep my cool now (cool now)
Oh oh oh oh..
Uh uh uh uh..
I?m tryina keep my cool now now (now now)
Oh oh oh oh..

You know that I want your love
Vicious mouth, can?t get enough
I?m sure in time I?ll let you know
But til then I?mma take it slow
Til then I?mma take it slow
Take it slow..

You know that I want your love
Vicious mouth, can?t get enough
I?m sure in time I?ll let you know
But til then I?mma take it slow
Til then I?mma take it slow

I got to got to (got to got to)
I got to keep my cool now (cool now)
Oh oh oh oh..
Uh uh uh uh..
I?m tryina keep my cool now now (now now)
Oh oh oh oh..

No, no, Don?t feel the butterflies
