

# Heaven

Alex Adair

Oh

Oh

Heaven must have sent you No I don't know where you come from baby

Don't know where you've been my baby

But heaven must have sent you

Heaven must have sent you Heaven must have sent you

Heaven must have sent you So long I've needed love right near me

Have some boys to cheer me

Heaven must have sent you, honey

Heaven must have sent you So long I've needed love right near me

Have some boys to cheer me

Heaven must have sent you, honey

Heaven must have sent you Oh baby

Yeah, yeah, yeah

Love you more each day

It's a heaven in your arms

Boy, it's the sweetness of your charms

Makes me love you more each day

In your arms I want to stay

Hey yeah

Oh

Oh

Oh

Heaven must have sent you
