

Lost Inside Your Love (2009)

Enrique Iglesias

I could never miss you love
Warm as a Miami day.....oooh yeah
I could never get enough
Wetter than an ocean wave.....oooh yeah Now one is the key
Two is the door
Three is the path that will lead us to four
Five is the time you kidnap my mind
And to ecstasy Lost inside your love, believe me
And if I don't come up then leave me
Inside your love forever One love, lost inside your love When the two of us are one
There's no place I'd rather be...oooh no
Disappearing in your love
Wilder than my wildest dreams.....oooh yeah Now one is the key
Two is the door
Three is the path that will lead us to four
Five is the time you kidnap my mind
And to ecstasy Lost inside your love, believe me
And if I don't come up then leave me
Inside your love forever oooh no
lost inside your love Over and over you know what I mean
Poquito de tu amor, un poquito de tu amor
I said over and over you keep takin me
A little bit to far, a little bit to deep Lost inside your love, believe me
And if I don't come up then leave me
inside your love forever
Inside your love...whooo
