Something to Grab For

Ric Ocasek

If you want to hang on to my shoulder, Im standing here
If you want to do it all over, let me get near
If you were another pretender, oh Id pass you by
If you were a lost weekender, oh maybe Id tryWhen you gonna give me something to grab for
When you gonna put it in my sight
When you gonna give me something to grab for
When you gonna show me what its likeIf you want to talk about it, I got the time
When youre looking so enchanted, you cover my mind
If you think Ill wait forever, oh maybe youre right
Theres no such thing as now or never, theres only twilightWhen you gonna give me something to grab for
When you gonna put it in my sight
Oh, give me something to grab for
When you gonna show me, show me what its likeIf you wanna think about it, oh, Ill just wait around
If you wanna take me over, I wont turn you downWhen you gonna give me something to grab for
When you gonna put it in my sight
Cmon and give me something to grab for
You gotta show me what its like, show me what its likeYou gotta give me something to grab for
You gotta put it in my sight
Oh, give me something to grab for
You gotta show me what its likeGive me something to grab for, show me what its like
You gotta give me something to grab for
Oh, give me something to grab for
Show me what its like, show me what its like, show me what its like
Give me something to grab for
