

Let's Be Friends (Skin to Skin)

Bruce Springsteen

I been watchin' you a long time
Trying to figure out where and when
We been moving down that same line
Time is now maybe we could get skin to skin
Don't know when this chance might come again
Good times got a way of comin' to an end
Don't know when this chance might come again
Good times got a way of slippin' a-way
Let's be friends, baby let's be friends
I know we're different you and me
Got a different way of walkin'
The time has come to let the past be history
Yeah if we could just start talkin'
Don't know when this chance might come again
Good things got a way of comin' to an end
Don't know when this chance might come again
Good things got a way of slippin'
Let's be friends, baby let's be friends
Do, do do doo do do do do do
Do, do do doo do do do do do
Do, do do doo do do do do do
Let's be friends
Do, do do doo do do do do do
Do, do do doo do do do do do
Let's be friends
There's a lot of talk going 'round you
Let them talk you know you're the only one
There's a lot of walls need tearing down
Together we could take them down one by one
Don't know when this chance might come again
Good times got a way of comin' to an end
Don't know when this chance might come again
Good times got a way of slippin'
Let's be friends, baby let's be friends
