

# Listen To Aftershock

## Pheromone

I'm paralyzed...

So victimized...

I'm going crazy...

And this is amazing! I'm seeking down the disease

I will destroy the plague

I dream that you are with me

But you don't know my name I wonder how could you call me crazy?

I lost my mind, and this is amazing! Pray for the shock esnlaved me

I lost my mind, I'm crazy

Listen to me, believe my words

I'm shouting loud this time
