

I'm Not Him

Warhaus

Such a child, such a queen
You don't play in between
Disarray in your eyes
Put your spell so precise Loving you isn't easy, you know
But it's a motherfucking not to be so You're so mean, that's okay
It's more fun anyway Loving you isn't easy, you know
But it's a motherfucking not to be so
You want magic, count me in
You want jesus, well i'm not him
You're an angel or a whore
Tell me who you're working for Loving you isn't easy, you know
But it's a motherfucking not to be so Who said you could stop
Lalala lalala
She worth four minutes of your time isn't she Lalala lalala three thirty
Lalala lalala three fourty Alala lalala three fifty Lalala lalala that's four Lalala lalala
