

This Damn Town

Arlo McKinley & The Lonesome Sound

(Intro)

Didn't know where to go,
Didn't know what I should see,
So I left town;
As soon as you left me,
Tried to find myself...down in Tennessee,
But ch'you got a way;
With the best of me,

(Chorus)X2

Now I do my best!,
And I'm barely gettin' by,
This damn town never sleeps,
She keeps me runnin' every night,

(Instrumental)X1

Thought I'd get by on my own,
Thought I'd be what I want to be,
Until you opened my eyes;
And you made me see,
Now I'll just play these cords;
Till' my time and moneys' gone,
And I leave this world;
With some simple songs,

(Chorus)X2

Now I do my best,
And I'm barely gettin' by,
This damn town never sleeps,
She keeps me runnin' every night.

(Exit)
