

# I Just Fall in Love Again

Angeline Quinto

Dreaming, I must be dreaming  
Or am I really lying here with you  
Baby, you take me in your arms  
And though I'm wide awake  
I know my dream is coming true  
And oh, I just fall in love again  
Just one touch and then  
It happens every time  
There I go by just fall in love again  
And when I do I can't help myself  
I fall in love with you  
Magic it must be magic  
The way I hold you when  
The night just seems to fly  
Easy for you to take me to a star  
Heaven is that moment  
When I look into your eyes  
And oh, I just fall in love again  
Just one touch and then  
It happens every time  
There I go by just fall in love again  
And when I do I can't help myself  
I fall in love with you, ooh  
Oh, I just fall in love again  
Just one touch and then  
It happens every time  
There I go by just fall in love again  
And when I do I can't help myself  
I fall in love with you  
I can't help myself  
I fall in love with you
