The Promise

Martin Nievera

Say goodbye
When I can barely say goodnight
If I can hardly take my eyes from yours
How far can I go?
Walk away
The thought would never cross my mind
I couldn't turn my back on Spring or Fall
Your smile least of all
When I say always
I mean forever
I trust tomorrow as much as today
I am not afraid to say I love you
But I promise you
I'll never say goodbye
We're dancers
On a crowded floor
While other dancers leave from song to song
Our music goes on
On and on
And if I never leave your arms
I really would have traveled everywhere
For my world is there
When I say always
I mean forever
I trust tomorrow as much as today
I am not afraid to say I love you
And I promise you
I'll never say goodbye
