

# The Promise

[Martin Nievera](#)

Say goodbye  
When I can barely say goodnight  
If I can hardly take my eyes from yours  
How far can I go?  
Walk away  
The thought would never cross my mind  
I couldn't turn my back on Spring or Fall  
Your smile least of all  
When I say always  
I mean forever  
I trust tomorrow as much as today  
I am not afraid to say I love you  
But I promise you  
I'll never say goodbye  
We're dancers  
On a crowded floor  
While other dancers leave from song to song  
Our music goes on  
On and on  
And if I never leave your arms  
I really would have traveled everywhere  
For my world is there  
When I say always  
I mean forever  
I trust tomorrow as much as today  
I am not afraid to say I love you  
And I promise you  
I'll never say goodbye
