

I Saw It Coming

Smokin' Joe Kubek & Bnois King

I Saw it Cominâ€™™

I knew way before it happened
Could even see it in your walk
Knew the day would come
We would finally have a talk

I saw it cominâ€™™â€¦I saw it cominâ€™™
Watched you changed before my eyes
Your leavinâ€™™ me was no surprise

I watched you change your hair
Buy new clothes
Wearing press-on nails
You turned a little cold

I saw it cominâ€™™â€¦I saw it cominâ€™™
Watched you changed before my eyes
Your leavinâ€™™ me was no surprise

You start to leave home early
Come back late
Iâ€™™m settinâ€™™ there watinâ€™™ for dinner
You said you already ate

I saw it cominâ€™™â€¦I saw it cominâ€™™
Watched you changed before my eyes
Your leavinâ€™™ me was no surprise

One day I walk in the house
Donâ€™™t see you nowhere
Look in the bedroom closet
Your clothes ainâ€™™t there

I saw it cominâ€™™â€¦I saw it cominâ€™™
Watched you changed before my eyes
Your leavinâ€™™ me was no surprise
Watched you changed before my eyes
Your leavinâ€™™ me was no surprise
Watched you changed before my eyes

Your leavin'™ me was no surprise
