

Cherry Blossom Girl (Hope Sandoval Version)

Air

I dont want to be shy
Cant stand it anymore
I just want to say Hi
To the one I love
Cherry blossom girlI feel sick all day long
From not being with you
I just want to go out
Ever night for a while
Cherry blossom girlTell me why cant it be trueI never talk to you
People say that I should
I can pray everyday
For the moment to come
Cherry blossom girlI just want to be sure
When I will come to you
When the time will be gone
You will be by my side
Cherry Blossom GirlTell me why cant it be trueIll never love again
Can I say that to you
Will you run away
If I try to be true
Cherry blossom girlCherry blossom girl
Ill always be there for you
That means no time to waste
Whenever theres a chance
Cherry blossom girlTell me why cant it be true
