

The Chaser

Twin Atlantic

I want a rebel, atomic heavy hitter
Super future design
I want a rebel, atomic heavy hitter
Super future design I tried hard to believe
Satisfaction is guilt and love all that is greed
But the truth is I'm just a man
My energy spins like a song on repeat that repeats You've no halo
You're in denial
Think fast, reload
I am your final idol
I am the the chaser, life is a game
You can switch your life, but you'd still be the same All this time
I've been a chaser trying to wake up in another life
Put the voice in my head to the back of my mind I want a rebel, atomic heavy hitter
Super future design
I want a rebel, atomic heavy hitter
Super future design You've no halo
You're in denial
Think fast, reload
I am your final idol
I am the the chaser, life is a game
You can switch your life, but you'd still be the same All this time
I've been a chaser trying to wake up in another life
Put the voice in my head to the back of my mind
All this time
I've been a chaser trying to fake it but I can't unwind
My heart is a bomb that my head can't find I tried hard to believe
Satisfaction is guilt and love is all that is greed
But the truth is I'm just a man
My energy spins like a song on repeats that repeats
(Repeats, repeats, repeats, repeats) All this time
I've been a chaser trying to wake up in another life
Put the voice in my head to the back of my mind
All this time
I've been a chaser, I've been a chaser, I've been a chaser I want a rebel, atomic heavy hitter
Super future design
I want a rebel, atomic heavy hitter
Super future design
