Play the Game

Kodaline

Oh, my world is turning inside out
Say I'm crying, breaking up inside
See my heart is sinking to my knees
Tell me brother what is it you need?I don't wanna be a pretender
I just wanna be meNobody, nobody
Nobody's gonna carry you
Try harder
Get smarter
Dream bigger
Play the gameOh, youÃ¢Â€Â™re blaming everybody else
Stop complaining and do it for yourself
Feed your body, your spirit and your mind
Oh my brother just enjoy the rideI don't wanna be a pretender
I just wanna be meNobody, nobody
Nobody's gonna carry you
Try harder
Get smarter
Dream bigger
Play the gameEverybody's got a story to tell
When youÃ¢Â€Â™re looking up at heaven
But youÃ¢Â€Â™re stuck in hell, come on
You gotta play, play the gamePlay the gameNobody, nobody
Nobody's gonna carry you
Play the game
Try harder
Get smarter
Dream bigger
Play the gameNobody, nobody
Nobody's gonna carry you
Play the game
Try harder
Get smarter
Dream bigger
Play the game
