Lexer

Don't treat me like a fool
nooo nooo
you dont love me
even if you say you do
you don't deserve me
Don't treat me like a foolDon't treat me like a fool
you dont love me
even if you say you do
you don't deserve me
Don't treat me like a fooldont treat me like fool
dont treat me like fool
dont treat me like foolOur moments that we spend toghether
are worthless
all the promises that we gave each other
mean nothing to you
you are the devil, you broke me into pieces
you are mother that you care and no one believes itDon't treat me like a fool
you dont love me
even if you say you do
you don't deserve me
dont treat me like fooldont treat me like fool
dont treat me like fool
dont treat me like fool
