

Bad Girls

Tennis

Even bad girls can do good things
Even bad girls have holy dreams
Oh I, I'm not so transparent
My intentions they ain't so apparentBad girls x 4Even bad girls have tender hearts
Even bad girls can fall apart
In the night, oh I am transformed
By the next day I've been rebornIf it were physical it would show
If it were spiritual I would know
If it were physical it would show
If it were spiritual I would knowThere is a need always divided
From all things that I've been hidingThe truth you know I'll never find
I'll never have any peace of mind
It's true I know I'll never find
I'll never have any peace of mindIf it were physical it would show
If it were spiritual I would know
If it were physical it would show
If it were spiritual I would knowYou know I love a good ceremony
That's why I chose matrimony
Oh I never want to feel ashamed
I just can't bear that kind of painThere is a need, always divided
From all the things that I've been hidingBad girls x 8
