

Saving All My Love for You

Tom Waits

It's too early for the circus,
It's too late for the bars,
No one's sleepin' but the paperboys,
And no one in this town is makin' any noise,
But the dogs and the milkmen and me. The girls around here all look like Cadillacs,
No one likes a stranger here,
I'd come home but I'm afraid
That you won't take me back,
But I'd trade off everything just to have you near. I know I'm irresponsible and I don't behave,
And I ruin everything that I do,
And I'll probably get arrested when I'm in my grave,
But I'll be savin' all my love for you. I paid fifteen dollars for a prostitute,
With too much makeup and a broken shoe,
But her eyes were just a counterfeit,
She tried to gyp me out of it,
But you know that I'm still in love you.
