

# Daddy Won't You Please Come Home

Annette Hanshaw

When night is creeping, and I should be sleeping in bed  
If you were peeping, you'd find that I'm weeping instead  
My loving daddy left his baby again  
Said he'd come back, but he forgot to say when  
Night after night I'm crying

Daddy, won't you please come home?  
Daddy, won't you please come home  
I'm so lonesome

No one can fill that vacant chair  
Home isn't home when you're not there  
No need to knock, the door is open for you  
Please daddy, even the clock are ticking

Daddy, won't you please come home?  
Daddy, do you have to roam so very long?  
There's lots of other new sheiks who would like to be sheik-ing  
Haven't slipped yet, but I'm liable to weaken  
Daddy, daddy won't you please come home?

Please daddy, even the clock keeps ticking  
Daddy, won't you please come home?  
Daddy, do you have to roam so very long?  
There's lots of other new sheiks who would like to be sheik-ing  
Haven't slipped yet, but I'm liable to weaken  
Daddy, daddy won't you please come home?

(That's all)
