

# If This Was a Movie

## Taylor Swift

Last night I heard my own heart beating  
Sounded like footsteps on my stairs  
Six months gone and I'm still reaching  
Even though I know you're not there I was playing back a thousand memories, baby  
Thinkin' 'bout everythin' we've been through  
Maybe I've been goin' back too much lately  
When time stood still and I had you Come back, come back, come back to me like  
You would, you would if this was a movie  
Stand in the rain outside  
'Til I came out Come back, come back, come back to me like  
You could, you could if you just said you're sorry  
I know that we could work it out somehow  
But if this was a movie you'd be here by now I know people change and these things happen  
But I remember how it was back then  
Locked up in your arms and our friends were laughing  
'Cause nothing like this ever happened to them Now, I'm pacing down the hall, chasing down your street  
Flashback to the night when you said to me  
"Nothing's gonna change, not for me and you "  
Not before I knew how much I had to lose Come back, come back, come back to me like  
You would, you would if this was a movie  
Stand in the rain outside  
'Til I came out Come back, come back, come back to me like  
You could, you could if you just said you're sorry  
I know that we could work it out somehow  
But if this was a movie you'd be here by now If you're out there, if you're somewhere, if you're moving on  
I've be waiting for you ever since you've been gone  
I just want it back the way it was before  
And I just wanna see you back at my front door And I say come back, come back, come back to me like  
You would before you said it's not that easy  
Before the fight, before I locked you out  
But I'd take it all back now Come back, come back, come back to me like  
You would, you would if this was a movie  
Stand in the rain outside  
'Til I came out Come back, come back, come back to me like  
You could, you could if you just said sorry  
I know that we could work it out somehow  
But if this was a movie you'd be here by now You'd be here by now  
It's not the kind of ending you wanna see now  
Baby, what about the ending?

Oh, I thought you'd be here by now That you'd be here by now
