

# No Witnesses

**Keaton Henson**

You said one day I would catch a break  
And said it like it was a fluke  
You said one day I would celebrate  
The day I fell in love with you So I told you, you should grieve the night  
And mourn the stars above  
That those who hate Los Angeles  
Have never been in love No day, no time  
No witnesses, no crime So I'll leave matches in our hotel room  
I hope to burn away the sight of you  
And as the sun sets over Hollywood  
I have nothing else to do So I wrote down a list of all the things  
We've never spoken of  
And I wrote "Man, I hate Los Angeles"  
And I've never been in love No day, no time  
No witnesses, no crime
