System Of A Down

Yeah, alright
Yeah, alright
Two skies watching it all, fading
Two skies living it all, fading
Two skies watching it all, fading
Two skies fading, one's abating
Two suns living it all, dying
Two suns fighting, one's abiding
Two suns watching them both fighting
Two suns seeing them both dying
Two suns watching them both fighting
Two suns fighting, one's abiding
Two skies seeing them both dying
Two skies fading, one's abating
Crack pipes, needles, PCP and fast cars
Kind of mix really well in a dead movie star
If I feel like talking, I never be wrong
If I feel like walking, you best come along
I close my windows crank the heat up high
Till my palms are wet and my tongue is dry
I'm looking for a mother that will get me high
Just a stupid motherfucker, if I die, I die
I'm a midnight fistfight looking for a mother that will get me high
Just a stupid motherfucker, if I die, I die
I'm a midnight fistfight looking for a mother that will get me high
Just a stupid motherfucker, if I die, I die, alright
Looking for a mother that will get me high
(Two suns fighting)
Just a stupid motherfucker if I die, I die, alright
(One's abiding)
Looking for a mother that will get me high
(Two skies fading)
Just a stupid motherfucker if I die, I die
(One's abating)
Cause I'm looking for a mother that will get me high
(Two suns fighting)
Just a stupid motherfucker if I die, I die
(One's abiding)
I'm looking for a mother that will get me high

(Two skies, two suns)
I'm a stupid motherfucker if I die, I die
(Watching them all go)
Yeah, alright
Yeah, alright
