Why Don't You

Ingram Hill

You could fall apart
It wouldn't take a lot, so fragile
Your porcelain heart
You don't wanna be
Another casualty of love's war
So you won't even start

I won't, hurt you, I won't

Why don't you let me be the one to love you
Why don't you help me find a way to
Why don't you let me be the one to love you
You don't have to be afraid when it's right
Why don't you

You've heard I've been around
But I'm so different now, believe me
Let me show you how
Cause I won't lead you on
You'll be the only one, it's alright, that man is gone

'Cause I won't hurt you, no I won't
Why don't you let me be the one to love you
Why don't you help me find a way to
Why don't you let me be the one to love you
You don't have to be afraid when it's right
Why don't you

Let me have the chance to make it alright
Follow what you're feeling, it will be fine, baby you should be mine

Why don't you let me be the one to love you
Why don't you help me find a way to

Why don't you let me be the one to love you
Why don't you help me find a way to
Why don't you let me be the one to love you
You don't have to be afraid when it's right

Why don't you let me be the one to love you

Why don't you help me find a way to
Why don't you let me be the one to love you
You don't have to be afraid when it's right
Why don't you, let me be the one
