Go Home

Syleena Johnson

V E R S E one

I know you said
You don't wanna fall in love
And I know he said
We just gonna make love
Hook:
But I ain't gon' lie
And I can't deny
The feeling I get
When you hit it right
Boy I'm stung
You got me sprung
So lovesick
Can't get a grip
So tonight
I don't wanna go home
C H O R U S

And I don't wanna go home
I really need to stay the night
Cause I don't wanna be alone
I need some more of you tonight
V E R S E two

Don't be scared
I don't wanna rush this
Just lay the-ere
And let me give you all of this

Ay ay ay ay
