Unsung (Alternate Mix)

Ministry

Where have all the heroes gone?
Returning where they're from
Did they touch God
Or did they touch the sun?

Preparation Day!
Fearless desire
Someone will lose by living
Chosen suicide!

Did they touch God
Or did they touch the sun?

Preparation Day!
Selfless act of giving
Many pay the price
With the heroes suicide
Unsung

The world we recognize has just begun
Some die from living so unsung

Preparation Day!
Fearless desire
Someone will lose by living
Chosen suicide!

Some die from living so unsung

Preparation Day!
Selfless act of giving
Many pay the price
With the heroes suicide

Unsung, unsung
Unsung, unsung
