

# If The Kids Are United

## BBQ CHICKENS

For once in my life I've got something to say  
I wanna say it now for now is today  
A love has been given so why not enjoy  
So let's all grab and let's all enjoy If the kids are united then we'll never be divided  
If the kids are united then we'll never be divided Just take a look around you  
What do you see  
Kids with feelings like you and me  
Understand him, he'll understand you  
For you are him, and he is you If the kids are united then we'll never be divided  
If the kids are united then we'll never be divided  
If the kids are united then we'll never be divided  
If the kids are united then we'll never be divided I don't want to be rejected  
I don't want to be denied  
Then it's not my misfortune  
That I've opened up your eyes Freedom is given  
Speak how you feel  
I have no freedom  
How do you feel  
They can lie to my face  
But not to my heart  
If we stand together  
It will just be the start If the kids are united then we'll never be divided  
If the kids are united then we'll never be divided
