

Forever And Always

Bullet for My Valentine

The time is here again
Prepare to be apart
And it drives you crazy
Each time I go away
The distance gets longer
But it makes us stronger Should it all come crashing
Down around me
Would you be there
Should I stumble and fall
Pick up the pieces Wo-ho-oh
Forget about the shit that we've been through
I wanna stay here forever and always
Wo-ho-oh
Standing here in front of all of you
I wanna stay here forever and always These days are dead again
It's empty from the start
And it drives me crazy
The hours drift away
It hurts to remember
This will soon be over Should it all come crashing
Down around me
Would you be there
Should I stumble and fall
Pick up the pieces Wo-ho-oh
Forget about the shit that we've been through
I wanna stay here forever and always
Wo-ho-oh
Standing here in front of all of you
I wanna stay here forever and always Forever and always
Wo-ho-oh
Wo-ho-oh
Forever and always
