

# The Letting Go

Steve Lukather

I came here to let you know  
The letting go has taken place  
I have held the winter's son  
Become one set my pace  
Isn't that what we wanted all along  
Freedom like a stone, maybe we were wrong  
But I can say goodbye  
Now that the passion's died  
Still it comes so slow  
The letting go  
Piece by piece I take apart  
This complicated heart and I hope to find

Something I can prove is real  
I can feel is truth, I can say is mine  
That's all I ever wanted to be  
The closer that I've got, the further I could see  
But when lovers change  
And the night feels strange  
We choose our road  
The letting go  
I came here to let you know  
The letting go has taken place
