Money Infection

Amen

Rip off the willing
Rip off the deadRip off this empty child
Then wishful overheadsWe live here in believe?
We're here to be obscene
Through broken windows
Reckless to (the) homeless saidDo you believe in me?
'Cause I bleed in you
I don't care what they say
Money's infected!Do you bleed in me?
'Cause I bleed in you
I don't care what they say
Money's infected!Well I got your witness
We've got your empty nooseWe wait with broken claws
And sit on your avenueWe live here to believe
We're here to be obsceneWith broken windows
And the SARS of avenueDo you bleed in me?
'Cause I bleed in you
I don't care what they say
Money's infectedDo you believe in me?
'Cause I bleed in youI don't care what they say
Money's infectedWe're all infected!
Money infection!Join the Navy, slave
We keep cummin for youCalling for youDo you believe in me?
'Cause I bleed in you
I don't care what they say
Money's infectedDo you believe in me?
'Cause I bleed in you
I don't care what they sayMoney's infected
WE'RE ALL INFECTED!
