

# Money Infection

## Amen

Rip off the willing  
Rip off the deadRip off this empty child  
Then wishful overheadsWe live here in believe?  
We're here to be obscene  
Through broken windows  
Reckless to (the) homeless saidDo you believe in me?  
'Cause I bleed in you  
I don't care what they say  
Money's infected!Do you bleed in me?  
'Cause I bleed in you  
I don't care what they say  
Money's infected!Well I got your witness  
We've got your empty nooseWe wait with broken claws  
And sit on your avenueWe live here to believe  
We're here to be obsceneWith broken windows  
And the SARS of avenueDo you bleed in me?  
'Cause I bleed in you  
I don't care what they say  
Money's infectedDo you believe in me?  
'Cause I bleed in youI don't care what they say  
Money's infectedWe're all infected!  
Money infection!Join the Navy, slave  
We keep cummin for youCalling for youDo you believe in me?  
'Cause I bleed in you  
I don't care what they say  
Money's infectedDo you believe in me?  
'Cause I bleed in you  
I don't care what they sayMoney's infected  
WE'RE ALL INFECTED!  
MONEY INFECTION!  
Slave, save  
Slave, unsaved  
Join the army, slave
