

I Wanna Be with You

Backstreet Boys

I wanna be with you
It's crazy but it's true
In everything I do
(Whoa, whoa)
I wanna be with you I'd like to know your policy
When it comes to me
Like to know what's in your mind
It's not easy to see I know now what I feel
And I want to
I wanna be with you And I'll be waiting
Until you face the truth
When the light is fading
You know what I wanna do I wanna be with you
It's crazy but it's true
(You know it's true)
And everything I do
(Is for you, baby)
I wanna be with you
(Oh, with you) Everybody sing
(Yeah)
Yeah, see you once again
Yeah, everybody swing
Yeah, everybody
Yeah, everybody swing Wish you'd come
And set me free
So that I can see
All the things I've left behind What's missing in me
I'm looking for a sign
In the things you do
I wanna be with you And I'll be waiting
When you face the truth
When the light is fading
You know what I wanna do I wanna be with you
It's crazy but it's true
(You know it's true)
And everything I do
(Is for you, baby)
I wanna be with you
(Oh, with you) Everybody sing

(Yeah)
Yeah, see you once again
Yeah, everybody swing
Yeah, everybody
Yeah, everybody swing I wanna be with you
It's crazy but it's true
And everything I do
(Whoa, whoa)
I wanna be with you I wanna be with you
(Yeah)
It's crazy but it's true
(Yeah)
And everything I do
I wanna be with you I wanna be with you
(I wanna be with you)
It's crazy but it's true
(It's crazy but it's true) And everything I do
(In everything I do)
I wanna be with you
(I wanna be with you)
Hey, yeah And everything I do
I wanna be with you
