

# Walk a Thin Line

## Fleetwood Mac

(Written by Lindsey Buckingham)I seen so many things that make me wonder

    But sometimes it's hard to tell

    I said, "Take your time"

    But no one was listenin'

I walk a thin lineThey told me that I never would recover

    Still some say they knew me well

    I said "Stay by my side"

    But no one said nothin'

I walk a thin lineAnd I said "Please turn the tide"

    But no one said nothin'

    I walk a thin line
