

# Nowhere To Go

## Nite Jewel

Do you ever feel alone?  
We could meet somewhere sometime.  
That's how I feel inside.  
We go...  
Ejecting Outward.  
Hallucinatory power.  
In nowhere.  
Out here.  
Insomniatic driver.  
Pitch black.  
Nightmare.  
Desert flower.  
A Cactus.  
In nowhere.  
Chorus: Nowhere to go x7...  
Can't see a thing.  
I mean, it's so dark.  
Can I tell you what I think?  
We've come too far.  
Nowhere to go x6  
Nowhere to go  
Go  
Go  
No no.
