At My Window

Townes Van Zandt

At my window
Watchin' the sun go
Hopin' the stars know
It's time to shineDaydreams
Aloft on dark wings
Soft as the sun streams
At days declineLivin' is sighin'
Dyin' says nothing at all
Babe and I lyin' here
Watchin' the evenin' fallTime flows
Through brave beginnings
And she leaves her endings
Beneath our feetWalk lightly
Upon their faces
Leave gentle traces
Upon their sleepLivin' is dancin'
Dyin's doin' nothin' at all
Babe and I lyin' here
Watchin' the evening fallThree dimes
Hard luck and good times
Bad rhymes and fine lines
Not much to sayFeel fine
Feel low and lazy
Feel gray and hazy
Feel far awayLivin' ain't lyin'
Dyin' ain't flyin' so high
Babe and I wonderin'
Watchin' the day go by
