Inhuman Affliction

Oceano

A new plan
Has been devised,
As a society conducts in shadow.
Within confines reeking of rotten flesh,
Overflowing with human filth, and defecation
Fecal stench nauseates the senses.
You're oblivious to their dark deception.
Of the hundreds they've held captive
You've been selected above the rest.
You've been selected above the rest of your kind.
So be prepared, this is your end.
So prepare to experience these methods first hand.
Five repititious blows,
Fracture the back of your skull,
You are restrained and rendered motionless.
Vomit spews from your mouth and nose
As you convulse, your insides exposed
For further excavation.
Spread and disected, fading from consciousness
Your blood soaked body skinned from head to toe.
Gaping wide open
The intent of this gruesome affliction begins to show.
Butchers of man
Have set their sights upon your flesh
For profit and nourishment!
You are dismembered.
Every entrail is consumed.
Every entrail is consumed.
None of your limbs shall go to waste.
