

# Superbad

## Unwritten Law

I'm known throughout the barrio as vato loco  
'Cause I hold Pico down like it's Acapulco  
Put my momma in a (?)  
Listen old lady you got three days

'Cause I'm bad bad superb  
Go run home and tell your mom and dad  
I'm bad bad superb  
But you can bet you ass I'm the best

I want it right  
And I want it now  
I want the whole world wrapped round  
My middle finger now  
I want it now

I've been to jail, I've been to rehab  
Three square meals a day, I ain't mad  
I watched my house burn down right in front of my ass  
And now I'm camped out down in Carlsbad

Because I'm bad bad Superbad  
Go run home and tell you mom and dad  
I'm bad bad super bad  
But I'm the most fun you'll ever

I want it right  
And I want it now  
I want the whole world wrapped round  
My middle finger now  
I want it high  
And I want it low  
I want it all in the middle  
Just need a little  
Give it to me simple  
Ooh I want it now

So listen up  
Starting yesterday this whole fucking place is mine  
I want the top

I want the middle  
And I want the bottom  
If I can't have 'em  
No ones got 'em  
And on a third note  
I'm the illest ever  
Your friend always knows  
So don't try and tell him

You know I know you know

I want it right  
And I want it now  
I want the whole world wrapped round  
My middle finger now  
I want it high  
And I want it low  
I want it all in the middle  
Just need a little  
Give it to me simple  
Ooh I want it now

---
