

Summer Night City (Almighty 12" Definitive Mix)

Abacadabra

In the night a new day dawning
And the first birds start to sing
In the pale light of the morning
Nothing's worth remembering
It's a dream, it's out of reach
Scattered driftwood on the beach Summer night city...
Summer night city... Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in a park
Summer night city In the sun I feel like sleeping
I can't take it for too long
My impatience slowly creeping
Up my spine and growing strong
I know what's waiting there for me
Tonight I'm loose and fancy-free
Aa-ahhh When the night comes with the action
I just know it's time to go
Can't resist the strange attraction
From that giant dynamo
Lots to take and lots to give
Time to breathe and time to live Waiting for the sunrise, soul dancing in the dark
Summer night city
Walking in the moonlight, love-making in a park
Summer night city It's elusive call it glitter
Somehow something turns me on
Some folks only see the litter
We don't miss them when they're gone
I love the feeling in the air
My kind of people everywhere When the night comes with the action
I just know it's time to go
Can't resist the strange attraction
From that giant dynamo
And tomorrow, when the dawning
And the first birds start to sing
In the pale light of the morning
Nothing's worth remembering
It's a dream, it's out of reach
Scattered driftwood on the beach Waiting for the sunrise, soul dancing in the dark
Summer night city

Walking in the moonlight, love-making in a park
Summer night city[repeat 2x and fade]
