

# Acid Veins

## Frank Carter & The Rattlesnakes

I want to feel it  
The acid in my veins  
Like the blood in my heart  
It burns again  
I want to feel it  
Like a tidal wave  
Like I'm drowning in your love  
And it's never gonna be the same Give me love  
Give me lust  
Give me fire, give me trust  
Give me a Modern Ruin  
I can be king of  
Come on and give me your love  
I want to feel it  
The acid in my veins  
Like I got a skeleton inside me  
Made from knives and chains  
I want to feel it  
When I'm out at night  
See you across the room  
My blinding light Give me love  
Give me lust  
Give me fire  
Give me trust  
Give me a Modern Ruin  
I can be king of  
Come on and give me your love  
Give me love  
Something new  
Something inspired  
Something to lose Give me love  
Something new  
Something inspired  
Something to lose Give me love  
Something new  
Something inspired  
Something to lose Give me love  
Something new  
Something inspired
