

C-lebrity

Queen

Ain't got no hope
Got no idea
What to do
Or why I'm here
Wanna get my face
On your TV
I wanna be heard
I want to be seen
Ain't got nothin?
No
Nothing
Nothin' to show
Make me a c-lebrity
I want to be
A face on TV
(I wanna be on your screen)
Then you can see
I'm a c-lebrity
I wanna get my features
In magazines
See this creature on every street
On every screen
Write my life story
Before I'm twenty one
I got to tell the world
They may say I'm dumb but er
Ain't got nothin?
No
Nothing
Nothing to show

Make me a c-lebrity
I want to be
A face on TV
(I wanna be on your screen)
Then you can see
I'm a c-lebrity
I wanna be a star
In a Broadway musical

They're gonna love me
I can't sing or dance at all
Some may say I'm lackadaisical
And if I was real good
I'd stand no chance at all
I want to be
A face on TV
(Yeah I wanna be on your screen)
Then you can see
I'm a c-lebrity
Then you can say
You knew me one day
Then you will see
I'm a c-lebrity
C c-lebrity
Wanna be a c c c-lebrity
Make my dream come true
C c-lebrity
Wanna be a c c c c-lebrity
I wanna be heard
I want to be seen
On every TV screen
